WHY RIDE: I wanted a motorcycle ever since I was a little kid and saw Steve McQueen in *The Great Escape*, jumping the fence on his Triumph. I'll never forget the feeling when I first got on one. I still get it most every time.

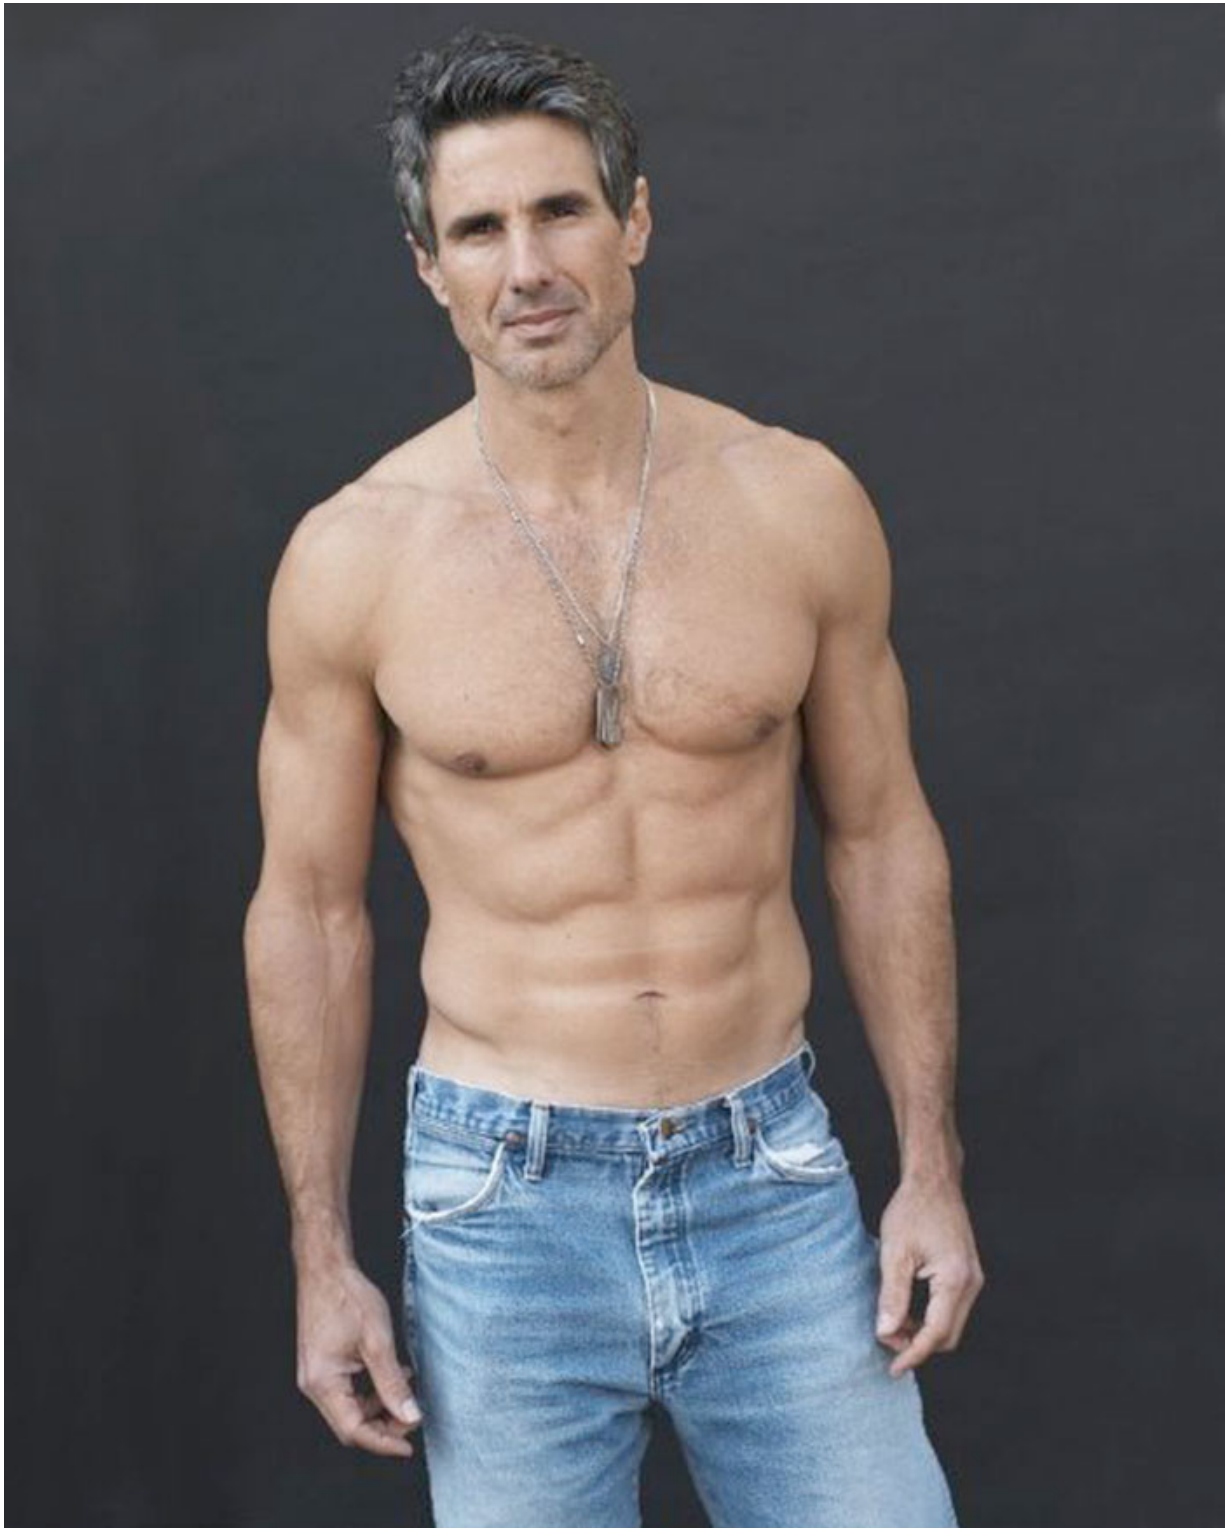

FAVORITE PLACE TO RIDE: I like fire roads, and that goes back to my days as a forest ranger. I have a Honda XR650L that I take up to the Sierras, loaded with camping gear. I'll ride until I find a trout stream, and set up camp. You can get places no car could ever go.

FAVORITE ROAD TRIP: I once rode all over Bali, carrying a surfboard on a rack.
